### **Abstract**

This research was prepared in order to determine the opinions and suggestions of the kanun students at the undergraduate level in Konya. The data in the study were obtained from the source survey and questionnaire form findings were interpreted by means of prepared tables. Working group of the study are Necmettin Erbakan University Ahmet Keleşođlu Faculty of Education Department of Music Education and Selçuk University Dilek Sabancı State Conservatory Department of Turkish Art Music students who are getting education of kanun at undergraduate level in Konya. As a result of the research, some suggestions were made that the views and suggestions of the students from two different institutions would be revealed and contribute to the operation and education of the kanun course.

**Keywords:** Kanun, Kanun Education, Turkish Music
