Abstract

Ideologically, by declaration of the Republic has born a new understanding of history. This new conception of history with the virtues of the Turkish nation, national values and ideals; try to explain as history and Turkish epics. Atatürk, in order to adopt new revolution by massive community, want to write a play about the history thesis from Faruk Nazif. The plays as known “Akın” and “Özyurt” had written desire by Atatürk which the community's political, social and cultural structure and its aim took. Ankara had supported plays which themes are Turkish history in order to play new stage where built. In this study try to deal with these two plays, historical awareness, understanding of history and reveal how it will attempt to show the virtues of the Turkish nation by Faruk Nafiz.

Key Words : Faruk Nafiz, Akın, Özyurt, theatre, history, Turkish history thesis.
